

Let's Talk About It: Mental Health Movie Permission Form

On April 29th, 2018 we will be engaging in conversation centered around mental health. Our conversation will be informed by the movie *The Breakfast Club*, which portrays realistic pressures and conflicts that teens deal with often. We recommend this discussion for students over the age of 14. This movie contains profanity and adult themes, which has given it an "R" rating. In order for any student under the age of 18 to participate in the viewing of the film we are requiring parent/guardian permission. If permission is being given, please check "yes" and sign below.
