MONTHLY NEWSLETTER OF BRECKSVILLE UNITED METHODIST CHURCH

## What's our "Why?"

*Loving our neighbor means coming together with an attitude of grace for one another, as well as yourself.*

I write this on May 20, 2021. This Sunday is our first Sunday of regular in-person worship after 14 months of worshipping physically distant. *It is going to be so grand!*

As we regather in-person, there are a lot of unknowns as we navigate creating our "new normal." What we do know—and what can help ground us in this time of transition—is our "why."

For the past 14 months, our "why" has been to "love our neighbor." That's why we've stayed apart: because gathering in large groups of many different households was not safe. And that "why" of loving our neighbor is going to remain as we gather together. However, it will look a little different.

"Loving our neighbor" now means being mindful that we're not coming back to exactly the way things were before the pandemic. We're not completely out of this yet, so we want to keep caring for one another by wearing our masks & maintaining physical distance. We're going to

abide by the principle, "If you have to ask, just mask." This is a way to be respectful of one another, and create a safe space for those who are not yet able to be vaccinated due to age or health conditions.

Another *big* way we will love our neighbor is by recognizing that we've each experienced trauma due to this pandemic, and we are each mentally and emotionally working through this as best we can. We've had different experiences over the past 14 months, and are creating our "new normal" at our own pace. It's important to be mindful that each person, each family, and each situation is different, which is one of the things church is all about: supporting one another in our diversity.

So, loving our neighbor means coming together with an attitude of grace for one another, as well as yourself. It's going to be bumpy and awkward as we enter our new normal, but we know that God is with us and the Holy Spirit will

provide us with exactly what we need, just when we need it—whether that is grace for those who are not in the same place as us, or courage to begin creating a new normal.

The why of being physically apart—loving our neighbor—doesn't go away, it simply looks different. And to that, we add the why of gathering in-person.

Why are we gathering together in-person? Because being in physical community with one another is important. Through the work of the Holy Spirit, we've learned to gather in community in different ways using technology like Zoom, social media, and livestreaming our services. But that doesn't diminish the reality that physical community is integral to being the church.

As the Psalmist says in Psalm 133:1, "*How very good and pleasant it is when kindred dwell together in unity!*" And it *IS* good and pleasant to be together physically—we may never appreciate

Help us tell God's story as it unfolds in our church and community. Send us your news!

*Continued from previous page...*

the blessing of physical togetherness and gathering more than we do now!

And the flip side of this is naming and recognizing what we've been missing during the season of distance. What have you been missing about gathering together physically? Why are you excited about worshipping together in-person?

I miss seeing everyone, and I'm so excited to see all of your smiling eyes above your masks, and to see how much the kids have grown in the past 14 months!

Are you excited to worship in-person so we can sing together? (Yes, we will be able to sing with our masks on!) Or is it being in the sanctuary? Or is it the simple joy of being together in the same space? I'd love to hear!

I'm in awe of how this church community has stuck together over the past 14 months, trying new things together and being open to the Spirit's movement. And I can't wait to see what God does in the next 14 months and beyond! *Oh, it's going to be grand!*

CELEBRATING 7 YEARS

AS A  
RECONCILING  
CONGREGATION

**On Sunday, May 16, we gathered on the lawn to celebrate an incredible 7 years of inclusive ministry** and voting to become a reconciling congregation within the United Methodist Church. It was a beautiful service with personal stories from Linda Crouch and Kristi Eberhardt, a prayer from Dana Schwendeman, music performed by Malik Khalfani, offering led by Deanne Kloss and communion was distributed by Pastor Heidi Welch. We were so excited to see the new addition to our church front lawn, the Rainbow Doors. These doors symbolize an outward commitment to our community that Brecksville United Methodist Church is a place where "God's doors are open to all." As we celebrate Pride Month with our participation and sponsoring of the Cleveland Pride Ride, we are so excited to continue to reinvest in our commitment to inclusive and welcoming ministry. If you are interested in helping the Inclusion Task Force coordinate more events celebrating inclusive ministry, email Dana Schwendeman ([inclusion@brecksvilleumc.com](mailto:inclusion@brecksvilleumc.com)) to get connected!

# WORSHIP IN THE WOODS

Summer 2021

*I love to think of nature as an unlimited broadcasting station, through which God speaks to us every hour, if we will only tune in.—George Washington Carver*

There is no better place to connect with our Creator God than in nature. Make a plan to join as we worship without walls, under the pines and alongside the waters in the Brecksville Reservation of the Cleveland Metroparks. We will gather in the assigned meeting place, go on a hike to a different location, worship with song, prayer and meditations, then return to our original meeting place for breakfast (for the morning worship services) or s'mores around the grill (for the evening services). Registration is required so we can adequately prepare and purchase enough food.

Mark your calendar for these summer dates:

- Friday, June 11 at 7 pm
- June 26 at 9 am
- Friday, July 9 at 7 pm
- July 24 at 9 am
- Friday, August 6 at 7 pm
- August 21 at 9 am

Register here <https://forms.gle/e8sxTJRpXh4LtYgN9> - or contact the office - and we will be in touch regarding the meeting location. Contact Jenny Gee for more information! [education@brecksvilleumc.com](mailto:education@brecksvilleumc.com).

## 8 Week Worship Series Begins May 30

Join us Sunday mornings as we embark on a new worship series focused on community—how we build it, repair it and sustain it. As we learn to cultivate courageous conversations, we strengthen our capacity for empathy and compassion, and learn to behold each other as images of the divine. We hope you'll join us for *I've been meaning to ask...*

As people of faith, we find God’s presence in those who have been blessings to us. At our weekly staff meetings prayers of thanks are lifted to God for the way lives are touched when we reach out to one another in service. Recently, we said prayers of thanks for people like Becky Gezze, who “adopted” the flowerbed in the front yard on the east side of the church—the one with a memorial to her dad. Thank you, Becky, for tending that beautiful area! And speaking of Becky, we said prayers of thanks for all of the people who have stepped forward to usher as in-person services (including memorial services) have returned to BUMC. These events couldn’t happen without you all! The Thursday men’s group created the beautiful rainbow door installation in the front yard. Thank you, gentlemen for helping tell the world that God’s love is for everyone. We’re so thankful for Elinor Rowan, who makes our prayer chain possible. Every week, Elinor gathers up all of our prayer requests and shares them by email and keeps us all connected in prayer. You are a gift, Elinor. So many people stepped forward to help with our first in person worship services. Thank you for helping us gather together again!

# — bumc — MISSIONS & OUTREACH UPDATE

Thank you for your support of the **Jesus Closet** Collection and for the **church-wide Bike Fix-It Day!** Both were a huge success. Also, your generosity for the **Easter Collection** allowed us to donate just over \$1000 to each of our recipients: Teach\*Reach\*Bless and Faith Build. Thank you!!

Currently we are undertaking our annual **Flood Bucket Collection.** (See our shopping list on a separate page.) Items can be placed in the bin marked “Flood Buckets” off the back parking lot entrance. Monetary donations can be made by marking your donation “Flood Buckets.” All items and monetary donations are due by 6/11/21 so we have time to count and purchase anything extra needed for our filling of the buckets after the first service on June 13. We hope to see you there.

We continue the monetary collection for the **Refuge Program of The LGBT Community Center of Cleveland.** This program helps people who identify as LGBT and have come to the US, because their safety was in jeopardy in their home country. The refuge program launched last year and we are on the ground floor partnering with The Center to continue this program. Eventually we hope to be able to have a relationship with the participants and help get them established in the community. This may include locating household furnishings, etc. Checks or donations made through REALM, should be designated “LGBT Center.” We will collect funds through June 6. For additional information, please contact BUMC’s Inclusion Task Force.

It’s summertime and that means it’s **Faith Build Time** with Habitat for Humanity. We have 3 dates thus far, and last I spoke with the agency, they were still limiting work group sizes. As COVID guidelines change, so might this?? Our dates are: Saturday, July 24; Thursday, August 19; and Saturday, September 25 Please call the church office to register.

The **Bike Fix-It day** was so successful and the demand for bikes continues, Jenny Gee has scheduled 3 more church-wide days – Saturday, June 12, July 10 and August 7. If you have an interest in volunteering at another time or need additional details, please refer to Jenny’s article in the column at right, or contact her directly. Jenny, thank you for coordinating this ministry which has gone international!!

M&O donated \$200 to the Oaks of Brecksville for the purchase of an outdoor fountain for their garden area where residents can enjoy the outdoors, flowers, birds, etc.

Thank you for your continued support and please let a member of the M&O committee know of any ideas you have regarding where we can make a difference and provide assistance. - Mary Kotnik, M&O Chair

## **June Bike Fix-it Day—**

***\*New Date\**** June 12, 9 to noon.

Did you know that we are known as ‘The Bike Church’ around town? We need your help to keep this important ministry ‘rolling along!’ We had a fantastic group of volunteers at May’s Bike Fix It day... won’t you join us in June? The date has changed from what we printed in the last *Good Word* and it is now scheduled for **June 12 from 9 to noon.**

You don’t need to know how to fix a bike. Last month some of us washed bikes, others dismantled bikes we couldn’t fix so we can use the parts, and others were taught some basic mechanical techniques by our crew of awesome volunteer mechanics.

Won’t you please be part of this ministry that has grown to make Brecksville UMC known around the county as ‘The Bike Church’? We can’t keep the ministry ‘rolling’ without many hands!

**On Thursday, June 3,** the United Methodist Women (UMW) will hold a special meeting recognizing three very special members. Read on to learn about the ladies being recognized.

**Elinor Rowan** served as secretary of the UMW Board for many years. Her knowledge of shorthand came in very handy in taking notes. This was not an easy task as people would digress and get off of the topic during the meetings. But somehow, Elinor kept it all straight. Prior to each board meeting, Elinor would arrive early and make copies of the minutes for each of us. We certainly owe her a debt of gratitude for her many years of service. - *by Carol Wilson*

UMW is grateful to **Barb Harper** for all she has done over the years for Brecksville United Methodist Women. In addition to her great sense of humor and ready smile, she covered publicity for the group; made the bulletin board with UMW information and updates for the entire church family, and last but not least, organized the crafts for our annual Head Start as a Christmas gift for the children there in attendance. - *by Nancy Knowlton*

**Ruth Holmes** has been a member of the Brecksville UMWomen for more years than any of us can remember. She was instrumental in starting an evening program for working women in the 80's and was an active member of the of the daytime group once she retired. She served as the Education and Interpretation member on the UMW Board from 2013—17, a position responsible for promoting mission education and opportunities to our members. Her reports on UMW's activities and their involvement with missions were always thought-provoking and informative. - *by Ruth Herman*

## Vacation Bible School Updates and Needs

VBS will be held in the Oak Grove Picnic Area of the Brecksville Reservation the week of July 5-9. We have an amazing group of teachers again this year and are starting to get our crew leaders in place. Would you like to help? **Crew leaders** are the familiar face and the warm loving adult that our campers rely on to help them feel safe and cared for.

- Do you like being part of something fun and exciting?
- Do you love to reach out and shine God's love with young people in our community?
- Are you available the week of July 5-9?

Consider signing up to be a crew leader and make an impact on a child this summer. This role is most often filled by adults and college kids, but if you are a high schooler that feels called to serve in this way let me know! We are also looking for an individual to person our **First Aid Station**.

**Do you buy eggs in cardboard cartons?** Start saving them please. We will be collecting cardboard egg cartons throughout the month of June in the coatroom. Drop them in the box labeled 'VBS'. Please no Styrofoam cartons.

If you have questions or would like to help us out this year, contact Jenny Gee, Director of Christian Education at [education@brecksvilleumc.com](mailto:education@brecksvilleumc.com).

## BLOOD DRIVE

JUNE 27

Register [vitalant.org/OhioDonorPortal](https://vitalant.org/OhioDonorPortal)

### *Preparing For Your Blood Donation*

What if we told you that an hour of your time could change someone's life? It can! In the time it takes you to read this column, nearly 100 people will receive lifesaving transfusion. By taking just an hour or so to donate, you will do something wonderful!

Before you roll up your sleeve to help someone else, please take care of yourself:

- **Eat** a healthy, low fat meal within two hours of your donation. The day before, eat a salty snack. When you donate blood, you lose about a gram of salt. Replacing it ahead of time helps keep your blood pressure normal.
- **Hydrate** by drinking 8—16 ounces of non-caffeinated, non-alcoholic beverages one hour before you donate. Water is a great choice!
- **Avoid/limit** caffeinated sodas, coffee, iced tea and energy drinks on the day of the donation.

Together, we will do something amazing to change people's lives!

Bring your ID with you—something with your name and one of the following: date of birth, donor ID number, or your photo.

Your simple, lifesaving action of donating blood has the remarkable power to transform lives for many tomorrows.

To learn more, visit [vitalant.org/donate/donation-process.aspx](https://vitalant.org/donate/donation-process.aspx)
