BUMC Youth Prepared Hot Dogs for Hungry Workers and Shoppers at the Garage Sale, September 17

A big **thank you** to all who helped with the church-wide garage sale. From sorting, pricing, and set up, to clean up, schlepping, donating, and cashiers, we are thankful for every volunteer!

Final numbers are not in but we estimate the sale raised \$3500 towards the Trustee's budget.

Thank you one and all!

World Communion Sunday: Oct. 2

World Communion Sunday offers us a distinctive opportunity to experience Holy Communion in the context of the global community of faith. The first Sunday of October has become a time when Christians in every culture break bread and pour the cup to remember and affirm Christ as the Head of the Church. On that day, we remember that we are part of the whole body of believers. World Communion Sunday can be both a profound worship experience and a time for learning more about our wider community of faith. There will be a special collection for World Communion Scholarships that morning, too.

"Do Not Be Afraid"

Comments from Rev. Clark Stein

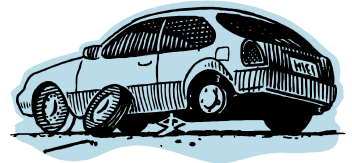

"Give your entire attention to what God is doing right now, and don't get worked up about what may or may not happen tomorrow. God will help you deal with whatever hard things come up when the time comes."

- Matthew 6:34, The Message

Someone once wrote, "Fear is the wrong use of imagination. It is anticipating the worst, not the best that can happen."

A salesman, driving on a lonely country road one dark and rainy night, had a flat. He opened the trunk. No lug wrench. He saw a dim light from a farmhouse up the road and set out on foot through the driving rain. Surely the farmer would have a lug wrench he could borrow, he thought.

It was late at night and the man's thoughts were full of doubt. Of course the farmer would be asleep in his warm, dry bed at this hour. Maybe he wouldn't answer the door. Even if he did, he'd surely be angry at being awakened in the middle of the night. The salesman, picking his way blindly in the dark, stumbled on. By now his shoes and clothing were soaked. He imagined that even if the farmer did answer his knock he would probably shout something like, "What's the big idea waking me up at this hour?"

This thought made the salesman angry. What right did the farmer have to refuse him the loan of a lug wrench? After all, here he was stranded in the middle of nowhere, soaked to the skin. The farmer was a selfish clod. No doubt about that!

The salesman finally reached the house and banged loudly on the door. A light went on inside, and a window opened above. A voice called out, "Who is it?" His face white with anger, the salesman called out, "You know darn well who it is. It's me! And you can keep your blasted lug wrench. I wouldn't borrow it now if you had the last one on earth!"

Our fears can own us if we allow them that power. They eat away at all that is good and right about us. Throughout scripture when angels appear their first words are, "Do not be afraid." It seems to me that fear often prevents us from receiving what we should.

My prayer is for calm minds, open hearts, and attention in the moment for what God is doing right now. In this month of Halloween, grinding campaigning and many uncertainties, it is enough.

May you know peace.

Music Bits

Each fall, the music department enjoys a time of reinvigoration; we shift into a higher gear after a summer of doing some coasting in idle. School is open, the fall is nearing, summer's leisure is concluding and we have begun another season with renewed purpose, action, and ministry!

Our **worship band** is hard at work to bring energetic and meaningful music of a contemporary nature to the 8:45 service each week. Vocalists and instrumentalists who enjoy this contemporary style of worship are always encouraged to come forward and be a part of our team. You can contact me at any time to learn more.

Chancel Choir returned to 11:15 worship on September 25, as the worship leaders at our traditional service. Chancel Choir is made up of people who enjoy preparing and performing a wide range of church music. We meet for rehearsals at 7:30 on Thursday evenings. New members are always welcome. Not only will you experience the fun and blessing of preparing music for worship each week, but some might say that come Sunday morning, you'll have the best seat in the house! And rest assured that we've got one of those seats reserved for you. Our task is truly a joyful and meaningful one, so prayerfully consider becoming a part of our musical family. Call me with any questions at 440-526-8938, email me at music@brecksvilleumc.com, or simply appear on a Thursday, at 7:30 pm in Room 304 (the choir room) as we undertake to praise God with our voices!

Chris Toth has another year of exciting music planned for our adult **Handbell Choir**. This group is open to anyone in 9th grade and up... we are already blessed to have a number of youth ringing with us. Handbell ringing is a challenging and rewarding musical activity and new ringers are always welcome. Either Chris or I are available to offer assistance to anyone who is ready to give it a try! Please contact me, or contact Chris at tothchristopher@att.net for more information.

Do also take note of the upcoming concert on **November 19**, as Chris and I will be sharing a neat variety of music for piano, organ and cello. We hope you'll join us for that special evening!

As people of faith, we find God's presence in those who have been blessings to us. At our weekly Staff Meetings, we have recently lifted up the following people in prayer, thanking God for them and the way they touch the lives of others: **Jim Frederick** who dropped what he was doing one Saturday morning to tend to a water leak at the church. **Ruth McDonel** who is always willing to reach out to people in our church family when they are in the hospital or ailing. **Joanie Olszko** who makes sure everything is in order for the start of the Sunday School season - and every Sunday! **Bob Lundholm** who is always there when the church calls and always serves with a smile. **Jane Petrie** who's talents for organization are renown and whose garage sale expertise is invaluable!

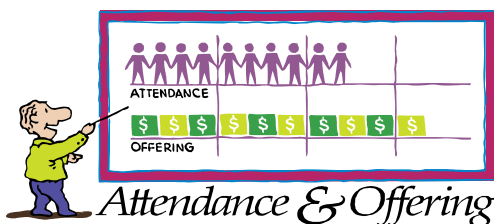

This is the day that the Lord has made; let us rejoice and be glad in it.

Psalms 118:24

The Abbey of Genesee is a Roman Catholic community of monks who are dedicated to the worship of God in a hidden life within the monastery following the Rule of St. Benedict. They lead a life of solitude and silence, prayer and penance in a joyful spirit of faith. At your weekend at the abbey you are encouraged to follow the worship schedule (six services daily) of the monks. The rest of the time you are open to pray, meditate, conference with a monk, hike, eat, and sleep. Your single room is furnished with a bed, a writing desk and a comfortable chair. At the prayer services, you will hear and participate in the chanting of the Psalms. You will live from Friday afternoon until Sunday afternoon in total silence. This may sound daunting.... and yet we remind each other that it is in silence that we can hear the still, small voice of God. Interested in learning more? Check out the Abbey Website at www.geneseeabbey.org, talk to Craig Czarnota or Kendall Lancaster, or call the church office to be put on the list (440) 526-8938.

The weekend retreat at the Abbey is November 4-6. Suggested donation to the Abbey is \$70 per person – this includes two nights private room and all meals. We will car pool the 4 hour trip to the abbey, which is just south of Rochester, NY. Let the church office know by October 16. It's filling up fast!

We list each week's attendance and offering in our bulletin announcements. Have you seen it? Below is a chart with information from the past four weeks.

Date	1st Service Attendance	2nd Service Attendance	Offering
August 28	65	127	\$4,872

Pedal the Parkway With Purpose

Join the Pedaling Parsons on October 15 for a fall bicycle ride to benefit Camphor Mission Station in Liberia. Get out in the fall colors for a 40-mile bike ride from Strongsville UMC to the Marina in Lakewood and back to the church. We will meet at 9 a.m. for breakfast and a peptalk then pedal on a fully-supported ride to lunch along the river. Does 40 miles sound way too far for you? Then pedal to lunch and carpool back to your car. Cost is \$20 per person and includes both meals and a donation to Camphor. Do you aspire to do more riding? Then connect with the Parsons, a group of United Methodists who, in addition to a series of weekend rides, go on a week-long tour to raise money for missions. This year they pedaled from Cincinnati to Cleveland, raising \$20,000 for the Mission Station. Interested? Contact Brian Sheetz, briansheetz@hotmail.com.

Change of Plans

The city-wide Choral Festival scheduled for October 22 has been postponed due to unforeseen conflicts. Please keep an eye on the Good Word in the future, as the city hopes to re-schedule this event for a later date! In the meantime, mark your calendar for **Saturday, November 19, at 7:30pm**, when Joy Fenton and Chris Toth will present an evening of music, featuring works for piano, organ, and cello. This will be the first concert in our fall concert series, and you won't want to miss it!

FALL SCHEDULE

Autumn is upon us and October finds our youth busy with sports, marching band, homecoming and plenty of other fall activities. This month we'll be spending lots of time in fellowship with each other and with other Christian youth in the area.

Due to our busy schedule, we will not meet for EPIC at our regular times. Instead we will enjoy the other activities that we have planned.

Please pay special attention to the calendar in this month's Good Word and check online for updates.

We will need lots of volunteers this month to help with driving on Oct. 8, 9 and 16. Please let me know if you are able to help. If you haven't received a fall activities calendar, there are extra copies right outside my office.

If you aren't on my e-mail list and would like to be included, please be sure and send me a quick note at youthdir@brecksvilleumc.com

It's going to be a busy month full of fun and fellowship! Be sure to join us!

God Bless, Cristy Shumaker, Interim Director of Youth Ministry

2011 North Coast District Walk to Bethlehem

Are you looking for ways to increase your physical, spiritual and emotional health? Join us on an imaginary trip to **Bethlehem**! Our team has begun logging activities each week with the goal of accumulating enough “miles” to reach **Bethlehem** by Christmas. There is a lot to learn along the way about new cultures, new food, and missionary work while incorporating exercise and spirituality into one's lifestyle. It's easy! Pick up a tally card in the Parlor and record a check mark each time you:

- Exercise 30 minutes
- Make healthy eating choices
- Make time for Bible study, worship, daily devotions, etc.
- Reach out to others in Mission.
- Earn bonus points for wellness check ups, flu shots, etc.

As of 9/17, with 6 churches reporting, we have walked to **1625 miles** and are walking from New York City, across the Atlantic Ocean towards our next stop, Casablanca. Need more details? Call the church office!

Young Disciples Sunday School

There's a lot going on in Young Disciples Sunday School this year! Your presence matters!! We're talking about **real issues** and **real people**. Ask yourself...

- How do I handle stress at school and in my family?
- How do I deal with people that I don't really like?
- How do I deal with people who don't really seem to like me?
- How do I respond to my parents or teachers when I'm pretty sure that *they're wrong* and *I'm right*!?
- Are there things in my life that seem totally unfair?

This year, we'll begin to discover what our faith has to say about these questions and others that are sure to pop up in discussion. We're not just looking for *easy answers*... we're looking for *new ways of thinking* about tough questions. So come prepared to be honest about what's going on in *your* life!

The Attendance Challenge

- Every time you attend Sunday School, our team earns a point.
- If you bring a friend or a guest to Sunday School, that's a point for our team, too!
- If you're at Sunday School every Sunday in any given month, you earn **2 bonus points**!!
- Every time we earn 100 points as a team, we'll enjoy a class at the delicious location of our choice.

That means we need you! So roll out of bed on Sunday mornings, and we'll see you at Young Disciples.

Coffee Fellowship

In October, our Youth Board will be hosting coffee each Sunday morning. You are invited to come to The Parlor between services for fellowship and to learn more about the great ministry these folks are doing. Going forward, a different group will host coffee each month. Here's the Fall schedule:

October: Youth Board; **November:** Finance; **December:** Worship

MISSIONS

On Sunday, October 2nd, Missions Commission will have sign-up sheets for hands-on service opportunities at the Cleveland Foodbank, Pearl Road UMC Sunday Dinners (previously known as Brooklyn Memorial Dinners) and serving light meals at Cornerstone of Hope. Please bring your calendars and sign up. Our congregation has faithfully volunteered at each of these service organizations. On the first Sunday of every month, Missions Commission will continue to have mission opportunity sign-up sheets for our congregation. We look forward to seeing you then.

Writers Wanted!

"Living in Christ, Serving in Love"

Living in Christ begins with knowing that Jesus Christ is the son of God. We want our love of Jesus Christ to be the center of our lives. In everything we do, in everything we say, we strive to express God's love for us, and our love for him. Generally, serving in love means caring for people. Our belief in Jesus Christ is not enough by itself. We choose to put our faith into action; we serve God by serving others. Specifically, we serve in love

HUMAN TRAFFICKING

The United Methodist Church's 2004 *Book of Resolutions* calls us to educate ourselves about the issue of Human Trafficking and to work for its eradication: ***"The United Methodist Church is called to model that the church universal is the very first place to which people can turn in their hunger for justice, wholeness and sanctuary. ... The church is given by God to be a place in which broken people – both victims and perpetrators of sexual violence – can be welcomed, heard, embraced with the gospel and even healed."***

After drug dealing, human trafficking is tied with the illegal arms industry as the second largest criminal industry in the world today. The International Labor Organization estimated that in 2005 more than 12 million people around the world have been forced to work against their will under threat of punishment.

The United Nations defines human trafficking as recruitment, transportation, transfer, harboring, or receipt of persons, by means of threat or use of force or other forms of coercion, abduction, fraud, deception, abuse of power or of a position of vulnerability or the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purpose of exploitation. In short, human trafficking is a form of modern-day slavery.

Most of us would think that human trafficking only happens outside of the United States. This is far from the truth. The U.S. State Department estimates that each year between 18,000 and 20,000 victims are trafficked into the U.S. Many trafficked persons are women and children coercively brought into the sex industry and other kinds of labor.

Human trafficking is estimated to be a worldwide enterprise worth \$32 billion a year. Nationally, over half of all human trafficking cases involve victims under the age of 18, and most girls who are engaged in sex trafficking begin between the ages of 12 and 14. The National Center for Missing and Exploited Children estimates that at least 100,000 American children become engaged in child prostitution and child trafficking each year.

Human trafficking claims victims from all walks of life and all areas of the world. Ohio plays a major role in this crime due to our location and extensive system of roads and highways, which allows traffickers to travel easily throughout the State and into nearby regions.

Toledo is the fourth largest gateway city for sex trafficking in America-- behind only Miami, Portland and Las Vegas. But many Las Vegas victims come from Toledo, pushing it up to third place overall. Professor Celia Williamson of the University of Toledo chaired a task force to research Ohio's

contribution to the child sex trafficking industry. The results showed that the problem was worse than previously thought: 1,000 new American children are coerced annually. Toledo is also a major site for foreign born victims and a leading recruitment gateway. The study concluded that Toledo has the highest per capita victim rate in the USA.

Until this year Ohio was one of only 7 states that did not have a stand-alone human trafficking law. Senator Teresa Fedor and Senator Tim Grendell sponsored a bill that would increase the penalty for crimes that include human trafficking making it a second-degree felony. If convicted, a person could serve up to 8 years in prison for either sex crimes or "involuntary servitude" crimes. On December 1, 2010, the Ohio Senate unanimously passed Senate Bill 235 to make human trafficking a stand-alone felony in Ohio. Governor Strickland signed it into law.

The Polaris Project, a national group that focuses on combating the forced-sex trade, moved Ohio up a notch in its annual ratings of state human-trafficking laws. Ohio now meets four of the organization's 10 criteria, an improvement from 2010 when Ohio was in the bottom tier.

You Can Take action:

- Educate yourself: <http://www.state.gov/g/tip>.
- Partner with those working to end trafficking and exploitation.
- Find out whether your pension and investment funds are being invested in companies profiting from human trafficking? If so, divest!
- Identify advocacy groups and contribute financially to the work of freeing victims of human trafficking.
- Find out what services are available for runaway teens on the streets of your city and how you can support them.
- For the larger effort, call, write, or email Secretary of State Hillary Clinton (<http://www.state.gov/secretary/>) or US Attorney General Eric Holder (<http://www.usdoj.gov/ag/>) to declare your support for strongly enforcing anti-trafficking laws and upholding human rights globally.
- For further information on human trafficking, contact Linda Bales, lbales@umc-gbcs.org or (202) 488-5649, at the General Board of Church and Society.
- **Attend the UMW program on Thursday, October 6. Speaker Jim Hixenbaugh will address the issue of Human Trafficking.**
