

THE GOOD WORD

Sacrament Digital Painting by Anna Strickland

IT'S A NEW DAY

On May 1st, the General Conference of The United Methodist Church voted to remove the restrictive language from *The Book of Discipline*. This language, saying, “homosexuality is incompatible with Christian teaching,” was added in 1972 with much debate and we’ve been disputing it ever since.

In fact, there hasn’t been a Conference since, where we haven’t spent significant time debating and advocating for the full inclusion of our LGBTQIA+ siblings. Recently, this debate has come to define much of our work as United Methodists. So much so, that in 2019 a special meeting was called (General Conference) to specifically focus on how we would move forward as a denomination in light of our disagreement on LGBTQIA+ inclusion.

However, at the 2019 GC, by a very slim margin (51% to 49%), it was voted to “double-down” on the restrictive language, adding additional disciplinary actions for clergy who chose to preside over same sex weddings.

Rather than ending the debate, this decision sent The United Methodist Church into more turmoil. Since then, 1/4 of United Methodist Churches have chosen to disaffiliate and join another denomination or become non-denominational.

So, this May, as we moved towards General Conference, I steeled myself for more contentious debate on the floor, with harmful, hurtful words spoken towards our LGBTQIA+ siblings.

Instead, on the morning of May 1st, petitions applying to LGBTQIA+ inclusion were placed on the morning’s Consent Calendar (as they received 10 or fewer votes against, in their committees). The vote for the Consent Calendar passed, with a resounding 93% yes.

In one fell swoop, the restrictive language was removed from The Book of Discipline, clergy would no longer be punished if they chose to preside over same sex marriages, and LGBTQIA+ individuals could be ordained.

That morning, as they made this historic vote at GC, I watched the livestream while getting ready for work. When the voting results were shown, I stopped. Chills ran through my body and tears started to run down my face.

Continued from front page.

I texted a few of my friends who were at GC, and asked, “Did that just happen?”

They said, “Yes. It’s all over.”

I thought to myself, “It can’t be that simple, can it? We’ve been debating and arguing this for... ever.” As tears flowed, I called anyone I could think of to share the news: it’s a new day in The United Methodist Church!

As the day went on, I realized just how much guilt and shame I had been carrying because of the words, “homosexuality is incompatible with Christian teaching.”

No, I’m not part of the LGBTQIA+ community. But I have family members who are. And I pastor people who identify as part of that community.

I’ve seen first-hand the harm that the incompatibility language has caused. I’ve had conversations with people who are convinced God hates them simply because of who they love. They’ve heard me say, “God’s love is unconditional,” and in their mind, they’ve extended the sentence to say, “... except for me and people like me.”

My heart has broken as I’ve heard story after story of individuals shunned by Christian family members who believed scripture deemed them unworthy of love. I’ve watched people struggle in their faith, turning their back on God because they’ve been told by Christians that God’s love doesn’t apply to them... not really.

But on May 1st, 2024, the guilt and shame were lifted from my shoulders. The corporate harm of The United Methodist Church stopped, and we could begin to work towards healing together.

Brecksville United Methodist Church has been doing this work of reconciliation for the past 10 years. In fact, May 11, 2024 was our 10-year anniversary of being a Reconciling Congregation. I’m proud of the work our church has done (and continues to do!) to advocate for the full inclusion of all our siblings. It is Godly work!

As we move into this month of June—celebrating the diversity of God’s humanity through Pride and Juneteenth—I’m reminded of what Paul said in Galatians 3:28, *In Christ’s family there can be no division into Jew and non-Jew, slave and free, male and female. Among us you are all equal. That is, we are all in a common relationship with Jesus Christ. Also, since you are Christ’s family, then you are Abraham’s famous “descendant,” heirs according to the covenant promises.*

May we continue our work of courageous inclusion: wholeheartedly welcoming all people as their perfectly imperfect selves.

Thanks be to God!

FAITH, FUN AND LEARNING FOR KIDS
FROM PRE-SCHOOL TO SIXTH GRADE -- AND UP!

The focus of Summer Sprouts is on God's remarkable creativity in nature. We encourage the children to use their skills of observation and listening to see and hear as much of the natural world as they can right around the church grounds. Children are mesmerized by the variety of blooming flowers, the stumbling and bumbling of bees heavy with pollen and the many, many different bird songs and calls we hear as we sit silently for a few moments. It is a true gift to allow ourselves to be immersed in nature and look to God as the good and generous creator of it all. This year there might even be a walking field trip or two! **We gather the children for Summer Sprouts right after the children's moment during the 10:30 Worship Service.** Come collect your child on the church lawn after the service has ended. If the weather is poor we will hold Sprouts on the 4th floor as we do throughout the school year. Want to learn more? Email Jenny at education@brecksvilleumc.com.

What could be better than to spend a week of summer mornings with your friends in the Metroparks playing and learning about God's amazing love? Not much!

We are incredibly excited to bring **Camp Firelight VBS** to the Oak Grove Picnic Shelter this summer the week of July 8-12. Each day of the week children and volunteers will hear a different story from the Bible that assures us that we can trust God to be with us in every situation. As we go to print, there are already 90 children registered. We have room for a few more! Learn more and reserve a spot for your child at BUMCLinks.com.

Want to be part of the best VBS Volunteer Team in the nation? If you can volunteer for the whole week, or just a morning or two, email Jenny@brecksvilleumc.com.

Checking the Vitals

At the May Leadership Board meeting we reviewed the first Vital Signs report of 2024. As we discussed at the Town Hall on Sunday, April 21st, the Vital Signs have been created to measure how well we are doing at achieving our goals for the year. The goals are:

- Short Term Goal #1 – Transition to SAS Governance model. (Simplified Accountability Structure)
- Long Term Goal #1 – Develop a discipleship pathway and help 50 people take their next step in discipleship.
- Long Term Goal #2 – Establish new and deeper relationships with 100 people from our communities; listening to gain understanding, discovering new ideas, and letting people know that we care.

The Vital Signs are designed to measure attendance, involvement, and outreach into the community. In addition to monitoring weekly attendance and giving, which are metrics that we have used for a long time, we are also gauging how involved our members are by keeping track of participation in Sunday School classes, on Ministry Teams, and at church-sponsored events.

This will help us know whether we are offering programs and events that are meaningful to those that call BUMC home. We are also compiling all of our internal and external-facing events to make sure that we are on track to establish relationships with 100 people from our communities.

We will continue to refine the ways that we measure our impact on our church family and our communities, but I am encouraged by the information that we are starting to gather and know that it will provide a framework for the Leadership Board and the church staff to achieve our 2024 goals.

If you ever have any questions about the Leadership Board, please feel free to reach out to one of the Board members or attend one of our monthly meetings. ***And don't miss the next Leadership Board Town Hall on Sunday, June 30 after the 10:30 Worship Service.*** Come hear the latest updates, ask questions and enjoy some food!

Pull Tabs wanted!

For Ronald McDonald House

Those aluminum pull tabs from soda and canned foods may not seem like much, but in 2023, Ronald McDonald House Charities of Northeast Ohio collected 22,550 pounds of them - and converted them into more than \$10,000 to help provide families with temporary housing to be near their children receiving medical care. Because of donations like these, families are able to stay for FREE!

Keep (or start!) saving your tabs and bring them to the donation station on the first floor of the church. Al & Barb Harper are delivering our tabs to Ronald McDonald House in Cleveland every time the box gets full!

One way we can reuse disposable shopping bags is to cut them up and weave them into sleeping mats to put a barrier between people who have to sleep outside and the cold hard ground.

The Missions & Community Engagement Committee has purchased two looms, which will arrive in mid-June. It takes hundreds of bags to make one mat. ***Here's how you can help.***

- Save your CLEAN, DRY, EMPTY shopping bags. Small tears are OK.
- If you can, flatten and fold them.
- Bring them to the white collection bin in the donation station (first floor coat room.)
- Want to cut bags at home in preparation for weaving? Reach out to Missions@brecksvilleUMC.com
- Watch for weaving dates and come help make mats this summer!

thank you

"Dear Brecksville Church Family, I am overwhelmed, humbled and profoundly grateful for your incredible generosity through the special Easter Offering, which was dedicated in support of Camphor Mission, Liberia. Our Volunteer in Mission Team is going in July with an ambitious, but rather expensive program that will include feeding up to 200 people during the two weeks we'll be there. Your amazing support is a huge boost to the mission budget, and will enable us to purchase much of the needed food supplies. I send you all love and gratitude from me, my team and the children of Camphor Mission. Celebrate Life!" - *Janet Kleckner*

These mats will go to persons without homes who need a soft place to sleep and rest. Want to help us? Ohio Artist Donates Recycled Metal Cross

"I'm an artist who makes metal crosses for inclusive churches." Steve Neff, of Lima, Ohio, arrived at Brecksville UMC with a resume and portfolio of his work last fall. He has created crosses from recycled aluminum and donated them to churches including Church Street UMC in Knoxville, Tennessee and Maple Grove UMC in Columbus. He has installed more than 40 crosses around Ohio, Kentucky, Indiana and Michigan.

When he asked if we would like one we thought that it would be a perfect addition to our outdoor worship space.

The cross was installed on Tuesday, May 21 and will be dedicated on Sunday, May 26. By the time you read this article, it should be standing along the front sidewalk!

We are thankful for Steve and the ways that he is sharing his gifts with the world. Let's lift up a prayer of thanks for him!

Brecksville UMC is a thriving community of faith because of people like you who care for one another and reach out in service to those who are in need. People like Bob Bloch, Bob Lundholm and Scott Campbell, who saw that repairs were needed to the framing around the Lube Window (the big arched window behind the screen in the Sanctuary) and fixed it!

We have a wonderful team of people caring for our church grounds this summer, including teams who rotate each week to mow and trim the lawn. Thank you Bob Lundholm, Doug Holmes, Matt Auble, George Gee, Dave Brown, George Sendrey, Matt Botzman and Kim Meyer. We also have wonderful folks who have adopted flowerbeds, including the Botzman family, Chuck and Becky Gezze, Gail and Kim Meyer, Dave Slaby, Terry and Jeff Close, Sue and Jeff Hastings, the Welch family, Marla Knight and Bob Lundholm. We're thankful for each of you and your willingness to share your time and talents with the church - and our community!

*Welcoming all
of God's children.*

Brecksville United Methodist Church is called to the ministry of reconciliation. We embrace diversity as a gift. We celebrate our human family's diversity of sexual orientation, gender identity, race, ethnicity, age, faith history, economic status, marital status, physical and mental ability, and education. We affirm that all people are created in the image of God and as beloved children of God, all are worthy of God's love and grace. We welcome the full inclusion of all people in the life and ministries of Brecksville United Methodist Church as we journey toward reconciliation through Christ.
