

Whether you're a new friend of the church or a long-time member, your commitment of support for Brecksville United Methodist Church in 2026 helps ensure a bright year ahead.

As a congregation, we have been wondering together about where God is working and leading us next. This work includes planning for the financial resources that God entrusts to our care and use. As you consider how you can support the church in 2026, remember that generosity is a form of resistance against fear, scarcity, and despair. Generosity builds community. Prayerfully consider if you can say...

Yes! *I want to help create safe spaces to grow with God and one another through honest worship, determined service, courageous inclusion, lifelong learning and joyful gathering.*

Thank you!

A prayer made visible. An affirmation of faith.

We believe that God has given us gifts
to be shared freely and generously, in a spirit of love and joy.

We acknowledge that we are merely stewards
of all that is God's, caretakers of God's home.

We believe that faithful stewardship is an act of worship,
a means of praising God who has blessed us so abundantly.

We believe that God has great things in store for us,
incredible things we haven't even imagined yet.

We believe that it is in giving that we receive.

Amen.
