

We are made in God's image. **Fully known. Fully loved.**

There is nothing we can do, or leave undone,
that can separate us from the love of God.

Are you looking for a grace-filled community that welcomes questions? That encourages you to take tentative, shaky or bold steps to explore who God made you to be? Do you long to find yourself in a community who will cheer you on as you explore your faith? **Our church strives to be that community.**

"Wherever there is new life, whenever someone says **yes** to being their full God-created self, when someone is finally able to proclaim out loud to God 'I praise you because I am fearfully and wonderfully made' the angels sing and the saints dance." - *Bishop Karen Oliveto*

May we truly see one another for the image of God each one bears.
