# SUPPORT FOR THOSE GRIEVING THE DEATH OF A LOVED ONE

2025 GROUP OFFERINGS

We offer structured grief support groups each quarter led by professional facilitators. Our grief support groups have a specialized curriculum according to the type of loss experienced and are designed to support the unique needs of grievers. At the weekly support groups, facilitators guide participants through issues specific to the loss type, and provide opportunities for them to share their feelings and experiences. Each group meets for 10 weeks.

## WHAT SHOULD I EXPECT?

- Weekly materials that include readings, resources, and exercises to help you make the most of your group experience.
- Groups are led by professionally trained and experienced facilitators.
- Cornerstone of Hope's support groups are open to all, regardless of ethnic, cultural and faith backgrounds.
- Loss specific groups so you are with others who have experienced a similar loss.
- Groups run weekly and are offered several times throughout the year.
- Our journey together begins with a fixed set of individuals, and no new members will be added during the session.
- Prior to the beginning of each session, a complimentary dinner is provided to promote fellowship and foster relationships.
- Each meeting is two hours in length, in a comfortable, safe environment.
